

HONOR CODE

Cherokee Youth Track Club (Junior Warriors) is a program for children ages 6-18. Our primary purpose is to equip youth with the fundamentals, skills and rules of track and field and cross country.

Equally as important, Cherokee Youth Track is dedicated to producing young athletes of good character through hard work, dedication, positive reinforcement, and sportsmanship. Good character is most likely achieved when practiced on and off the track/course.

To help us succeed in our purpose, we ask parents and athletes to abide by and support the following:

- 1- Be on time to practice and with an attitude of learning and best effort
- 2- Be intentional, have purpose to being at practice and competitions
- 3- Be respectful: to yourself, the coaches, and your teammates
- 4- Be on the lookout to help others and encourage them
- 5- Be a student first, then an athlete. Study hard
- 6- Be happy and have fun

Our club will not tolerate name calling, bullying and the use of foul language. Instead, we encourage our athletes to support and encourage one another. Please commit to being your best self and bringing out the best in your teammates.

I accept and agree to follow the Cherokee Youth Track Code of Conduct and recognize that it will make me a better athlete and a better teammate. As a parent, I commit to support and emphasize these guidelines with my child.

Misconduct or disruption of these guidelines will bring consequences, such as removal from practice or removal from the team.
